INNOVATIVE SOLUTIONS IN LINEAR AND CURVED SLOT DIFFUSERS CEILING OR SIDEWALL APPLICATIONS

To meet the needs of today's advanced architectural and mechanical designs, Air Factors offers a large variety of straight or curved linear slot diffusers. Since 1963 our company has designed and manufactured innovative solutions for controlling human comfort within contemporary interior environments. Whether the design requires a continuous straight linear, ellipse, circle or serpentine curve, our linear Air Bar can be incorporated into any design.

Air Factors is continually developing new components and systems based upon parameters established by both architects and engineers. All of our products and services have a reputation for quality and a proven ability to combine functional simplicity with architectural elegance.
